Pediatric Hospital Medicine 2007

Sponsored by the AAP Section on Hospital Medicine, the American Academy of Pediatrics (AAP), the Ambulatory Pediatric Association (APA), and the Society of Hospital Medicine (SHM)

Salt Lake City Utah • Salt Lake City Marriott Downtown • August 2-5, 2007

Earn a Maximum of 17.75 AMA PRA Category 1 Credits® Register online at www.pedialink.org/cmefinder or call toll-free, 866/THE-AAP1 (866/843-2271)
What is Pediatric Hospital Medicine 2007?

With the ultimate goal of improving patient care, the Pediatric Hospital Medicine course provides an educational forum for pediatric hospitalists and other clinicians involved in the care of pediatric inpatients. This educational activity seeks to increase participants’ knowledge in the areas of clinical medicine, practice management, education, and research and to provide the tools, skills, and strategies necessary to improve practice. It also offers an opportunity for networking and discussion among pediatric hospitalists as they engage in shaping the future of this rapidly evolving specialty in pediatric medicine.

Upon completion of this educational activity, participants should be able to:

- Apply knowledge gained to implement advances in the practice management, systems, and logistics areas of pediatric hospitalist medicine
- Implement new methodologies for teaching and practicing pediatric hospital medicine
- Identify opportunities and mechanisms for hospitalists to conduct pediatric inpatient research
- Advocate for and influence the evolution of pediatric hospital medicine

You should attend Pediatric Hospital Medicine 2007 if you are a:

- Pediatric Hospitalist
- Pediatric department chair
- Pediatric teaching program director
- Director of a general pediatric division
- General pediatric resident
- Pediatric nurse practitioner
- Pediatric physician assistant
- Physician who focuses on the medical care of hospitalized children

Continuing Medical Education Credit

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCM E) to provide continuing medical education for physicians.

The AAP designates this educational activity for a maximum of 17.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 17.75 AAP credits. These credits can be applied toward the AAP CM E/CPD Award available to Fellows and Candidate Fellows of the AAP.

Application for CM E credit has been filed with the American Academy of Family Physicians.

Determination of credit is pending.

The American Academy of Physician Assistants accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCM E.

This program is approved for 21.30 NAPNAP contact hours, pharmacology (Rx) contact hours to be determined.

Disclosure of Financial Relationships and Resolution of Conflicts of Interest

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CM E activities. All individuals in a position to influence and/or control the content of AAP CM E activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CM E activities. All potential conflicts of interest are identified and resolved prior to an individual’s confirmation of service at an AAP CM E activity. Beyond disclosure of financial relationships, AAP CM E faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or “off-label” use of an approved device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CM E activities.

Schedule and Faculty

Because we are always striving to improve the quality of your educational experience, schedules are subject to change. The AAP may substitute faculty with comparable expertise on rare occasions necessitated by illness or scheduling conflicts. Please visit www.pedialink.org/cme finder for schedule, faculty, and session updates.

AAP Section on Hospital Medicine
The AAP Section on Hospital Medicine (SOHM) serves as a forum for AAP members who have a special interest and commitment to general inpatient pediatric care. Membership in SOHM is open to pediatric hospitalists, general pediatricians, academicians, primary care pediatricians, subspecialists, residents, and physician assistants who have an active interest and involvement in general inpatient pediatrics. SOHM focuses on relevant clinical issues as well as systems, logistics, and organization of general inpatient pediatric care. www.aaphospmed.org

American Academy of Pediatrics
Dedicated to the Health of All Children
The AAP and its members dedicate their efforts and resources to the health, safety, and well-being of all infants, children, adolescents, and young adults. The AAP has approximately 60,000 members in the United States, Canada, and Latin America. Members include pediatricians, pediatric medical subspecialists, and pediatric surgical specialists. www.aap.org

Ambulatory Pediatric Association
The APA fosters the health of children, adolescents, and families by promoting generalism in academic pediatrics and academics in general pediatrics. General pediatrics and generalism concern the whole child in the context of family and community. Our mission is accomplished through patient care, academics (teaching and research), and advocacy. General pediatric divisions in academic settings have generalism as their primary focus. Other divisions may also have generalism as a stated goal; these often include emergency pediatrics, critical care, adolescent medicine, behavior and development, neonatology and hospital medicine. We welcome all who share our mission. www.ambpeds.org

Society of Hospital Medicine
10th
Celebrating Ten Years of Hospital Doctors and the Patients They Serve
The SHM is dedicated to promoting the highest quality care for all hospitalized patients and excellence in the practice of hospital medicine through education, advocacy and research. SHM is the premier medical society representing hospitalists. The Society was established in 1997 specifically to support and enhance the practices of hospital doctors and the patients they serve. SHM serves as the leading resource and voice for hospitalists across the nation. www.hospitalmedicine.org
Car Rental Discounts
The AAP Travel Office is offering CM E course attendees a reduced car rental rate through Hertz. Please ask your AAP Travel Agent for details or call Hertz directly at 800/654-2240 and mention code ITCV01570011-14511276.

Parking
Self and Valet parking are available at the hotel for a fee. Please contact the hotel concierge for detailed information about parking.

Special Needs
The AAP is sensitive to the special needs of attendees. Please indicate any special needs (dietary restrictions, physical limitations) on your registration form.

Scooter and wheelchair rentals are available by contacting ScootAround, Inc, toll-free at 888/441-7575, by fax at 204/478-1172, via e-mail at info@scootaround.com, or through their Web site at www.scootaround.com.

Registration
Space is limited so register early! Lodging and meals, other than specified, are not included in the registration fee. Food and beverages provided during the course are intended for registered participants only.

Using your VISA, M asterCard, American Express, or Discover, you may register online at www.pedialink.org/cmefinder, fax your registration to 847/228-5059 or 847/228-5088, or call toll-free, 800/433-9016, option 3. Outside the United States and Canada, please call 847/434-4000, option 3.

Please have your credit card and concurrent session selections ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly.

Educational Materials
You will receive a complete syllabus of educational materials (in both printed and CD-ROM format) when you arrive at the course. Feel free to bring your laptop to view the presentations while you learn.

Cancellations
Cancellations must be received by J uly 18, 2007, to receive a refund. An administrative charge of $50 will be deducted.
